

# 2024 Impact Report

## Our Mission and Vision

The John F. Green Spartanburg Science Center's mission is to excite and engage students in STEM exploration.

Our vision: We are a community of problem solvers, ignited by a spark for STEM

## What our Clients Say

"Wonderful program, Very informative. The presenters were quite knowledgeable. Loved all the displays as well."

"We loved the critters and how educational it was!"

"Everyone was very friendly, helpful, and full of info!"

"Great use of time and great space. Lots of fun for kids of all ages."
